MEMORANDUM FOR:

FROM:

Chairman, Fine Arts Commission

SUBJECT:

Exhibit of African Photographs and Artifacts

1. The current exhibit of your photographs of African scenes, supplemented by the interesting artifacts you have collected in your travels, has been a great success, and I want to express to you the appreciation of the Fine Arts Commission for making it all possible. I know you put in many hours of your own time organizing the exhibit and preparing the various labels and narratives which add to the value of the display, but the most important ingredient is the evident artistry with which you captured the images in the first place. In every aspect the exhibit does credit to the photographer-artist and collector responsible. The FAC is proud to have sponsored a show of such consistently high quality. (U)

2. I am sending a copy of this memorandum to the Chief of Support, LA Division, with a request that it be included in your official personnel folder. (U)
